

VOLCANO EXP PRO 1/10 SCALE

Are you ready for an adrenaline explosion? Fast and powerful, the Volcano EXP PRO is equipped with a 3300KV brushless motor and 2s LIPO ready brushless ESC. Ready to run out of the box, the Volcano EXP PRO is eager to heat up the neighborhood. Complete with battery and charger, this mini Mount St. Helens will arrange the landscape in seconds!

Shaft driven 4WD provides you with the necessary traction to maneuver the toughest obstacles and the forward/reverse ESC is beneficial in navigating tight spots.

Lightweight plastic chassis, eight aluminum body oil filled coil over shocks, and independent suspension offer rock solid performance as the soft compound monster truck tires leave disaster in their wake. Fear not! A 2.4GHz radio system and waterproof electronics ensure control, for those who dare to unleash the power of the Volcano!
